Are you a jobseeker with a disability interested in training and a career in a growing industry, such as Healthcare, Manufacturing, or IT?

Do you want to obtain the skills and credentials necessary to achieve living wage employment?

Do you need assistance with paying for the training and credentials required to move up a career ladder?

Can you benefit from on-going support and disability services resources including job placement, job retention, benefits counseling (Ticket to Work) and career guidance?

Please contact your local One Stop Career Center for more information.

Disability Resource Coordinators (DRC):
