EMPLOYMENT COUNSELING
WHAT IT IS AND WHAT TO EXPECT

- Have you been unemployed longer than anticipated?
- Have you been unable to get job interviews?
- Do you suspect your resume isn’t working for you?
- Thinking of a career change?
- Getting interviews but not the job?

We can help!

How?

- By assisting you with improving your interview techniques!
- By developing a resume that will showcase your skills and experience that will be noticed by employers!
- By helping you explore career options that will meet your long-term needs!
- By showing how to write effective cover letters and utilizing them to your advantage!
- By identifying and working with possible barriers to your employment!
