OVERCOMING POTENTIAL SETBACKS
Education & Training

Some job seekers may decide their next step is to complete their High School Equivalency (HSE), pursue adult education, or return to university.

Goals of this stage:
✓ Gain skills and certifications required to pursue your career.
✓ Figure out how you can pay for it.
✓ Determine if you need any academic adjustments or accommodations.
Gain the skills and certifications you need to succeed

Attend programs so you can gain the skills and certifications required for your desired career path.

Figure out how you will pay for your education

Explore these financial resources for youth with disabilities.

✓ Fast Web
✓ Scholarships
✓ Federal Student Aid (FAFSA)
✓ Access-VR
Determine if you need any adjustments or accommodations

Reflect on whether your disability will require any learning supports or accommodations.

✓ Accommodations for exams?
✓ Flexible attendance?
✓ Assistive technology?
✓ Note-taking services?

**What is an accommodation?**

Accommodations are adjustments to make a program, facility, or resource accessible to a person with a disability so they can complete a task or learn new content.
Putting it together: Education & Training Worksheet

**Goal:** Record your notes on the *Education Worksheet.*
IRTs can provide support

Integrated Resource Teams (IRTs) help job seekers with disabilities to make progress along their career. You can create an IRT with the support of a Disability Resource Coordinator (DRC), counselor, family member or friend.

YourDreamYourTeam.com provides resources for:
- How to Create an IRT
- Job Seekers with Disabilities
